To: Applicant of Serial Number 10758013 (Art Unit 2612)

It is estimated that this application will receive an Office action in approximately 9 months. This is an estimate that is based on the current inventory level of applications filed in this art area and the current staffing levels in this Art Unit. The USPTO is dedicated to minimizing first action and total pendency, and in art areas with high new application inventories, we are targeting resources to help address these backlogs. Thank you for your inquiry.
